Monday 18 May

Principal's Message

Dear Parents and Students,

Welcome Back to Term 2 which will be another very eventful and busy term for our school community. I hope you all had a restful and enjoyable break and are ready for a challenging and exciting new school term.

Year 12 Report Interviews

Year 12 completed their mid-course assessment period at the end of last term and they will be the first cohort to be issued with their semester one reports on Monday 18 May. This year reports will be issued to students in a different manner. All Year 12 Students will be issued with an interview time to meet with their teacher adviser and it will be at this meeting where reports will be distributed. Students will reflect on their report and set goals to work towards. Strategies for improvement will also be discussed with the teacher advisers and a plan set for implementation over the next few terms. This Initiative will provide all of our students with the opportunity to have individual conversations with a teacher adviser and to reflect on their progress over the past two terms of their HSC courses. I mentioned in my March correspondence the significance of feedback on improving achievement levels as highlighted through current educational research. This process will provide students with the opportunity to reflect on the feedback received from their teachers and to act on this advice as they approach their next round of assessment tasks. I look forward to being part of the panel of teacher advisers who will meet with our Year 12 students throughout the day to support them with this reflection and goal setting activity.

The 2015-2017 School Plan

At the end of last term our executive team participated in a 2 day conference where they worked collaboratively on the draft school plan. The executive integrated the data from the school forum held in February to refine the vision statement, determine and define the three strategic directions and to draft a school plan in line with the new DEC requirements ready for community input. The executive worked on a rotational model to develop and refine the 5P's for each strategic direction over the two day conference. I will be presenting the draft school plan to the P&C and seeking their input at the meeting on Thursday 23 April at 7:00pm. However I did want to share with our school community the collective vision statement that was developed for our school at the conference.

St George Girls High School aims to create a supportive and inclusive environment where gifted and talented students are encouraged to explore their potential and achieve their personal best in all aspects of school life.

Students will be challenged and engaged through authentic learning opportunities that inspire them to develop creativity, confidence and resilience to become independent and ethical life-long learners.

All decisions we make over the next three years will need to support this vision, I am proud to be focusing on the concept of personal best as it suggests that our students will determine their own goals and areas to focus on, in line with their individual interests and abilities. It does not suggest a deviation from the pursuit of excellence, but encourages all of our girls to identify their own areas for personal excellence and as a school we will support our students in achieving that goal.

I am also pleased that concepts of creativity, confidence, resilience and lifelong learning feature in this vision for our school. These are the skills that our students will all require to be successful not only at school but in life as they transcend beyond the school gates. The changing nature of the world and employment will require these skills and it is our responsibility as a school to prepare our students for this emerging reality.

Japan Tour

On Sunday 12 April during the second week of the recent school holidays, 18 students along with two very dedicated staff members Ms Georgius and Ms Fisher departed Sydney to participate in our overseas Languages tour to Japan. This is a wonderful opportunity for our students to experience and immerse themselves in the Japanese culture first hand. The itinerary for the trip is quite comprehensive; students will be visiting Tokyo, Kyoto, Hiroshima, Miyajima Island, Kojimachi High School as well as engage in a home stay experience. These opportunities are only made available as a result of the energy and organisation of the teaching staff and the support from the students and their parents. I want to thank Ms Georguis and Ms Fisher for making all the necessary arrangements for the tour to become a reality and for giving up their school holiday time to attend the tour and supervise and care for our girls. I now look forward to hearing about and sharing with the community the students' experiences upon their safe arrival back into Sydney on 22 April.

The **Athletics Carnival** will be held on Tuesday 28 April at Sylvania Waters Athletics Track. All students should now be aware of their House groupings for 2015 and House meetings were held on Tuesday to communicate key information to students. We are anticipating a beautiful day for the carnival, however in the case of extreme wet weather and electrical activity please check the school website where it will be communicated if the carnival is going ahead or not. I would like to thank our PDHPE faculty and Ms Thodey in particular, for making all of the necessary arrangements to ensure that our athletics carnival is a successful and enjoyable day.

The **Year 11 Camp** is soon approaching in Week 2 and will be held at Sydney Academy of Sport and Recreation at Narrabeen. The program being delivered throughout the camp is mandatory for all Year 11 students in NSW; however the opportunity to go out on camp is also designed to support the transition of our new Year 11 students into this Year group as well as develop team building and study skills. I would like to thank our Year 11 Year Adviser Ms Mileski for her organisation of this wonderful opportunity as well as the 10 staff members who have volunteered their time

to attend the camp over the three days. I will also be visiting the camp on one of the days and I am looking forward to having the opportunity to interact with the Year 11 students and engage with the Crossroads content alongside our students.

The **NAPLAN tests** for Years 7 and 9 are also taking place in Week 4 from Tuesday 12 May – Thursday 14 May. These national tests will be run concurrently for both Year groups in various venues across the school and the organisation for the three days will be distributed to staff and students involved shortly. I would like to wish our Year 7 and 9 groups good luck and our school is once again anticipating very impressive student achievement outcomes in all literacy and numeracy domains. I look forward to analysing and sharing with you our results later in the year.

I wish you all a great term and I look forward to seeing many parents at the P&C meeting later this week to share with you our new school plan as well as introduce to you our new Deputy Principal Mr Mark Treacy who joins our community this term.

Congratulations

I would like to congratulate the following students for receiving Principal Certificates:

Christina Phung of Year 9.

Theresa Gu (5) of Year 10.

Kaesia Chan of Year 12.

Well done to all of these girls and to all who have experienced personal success this term.

Ms Betty Romeo
Principal

Deputy Principal's Report

Senior Assessment Tasks

Term 2 is an important term for our senior students as they sit for assessment tasks which will form not only their Half Yearly reports but also the credentials which they receive from the Board of Studies, Teaching and Educational Standards (BOSTES). At the end of the year, Year 10 and 11 students will receive a grade for each of their subjects based on their internal school assessments for their Record of School Achievement (ROSA) and Preliminary Certificates respectively.

Given the importance of these assessment tasks it is essential that all students are familiar with and follow the school's assessment procedures. Students have been given preliminary information on all their tasks in the assessment handbooks which were issued at the start of the year. More detailed assessment notifications for each task are published on the school's intranet at least two weeks before each task, and it is the students' responsibility to make sure that they are informed about all tasks.

If your daughter is unable to attend school on the day of an assessment task you should phone the school by 8:30am and inform the school of her absence. Hand in tasks are to be submitted to the teacher by 8:45am on the due date. In the case of absence students are expected to make all reasonable efforts to deliver hand-in tasks to the school, whether electronically (e.g. by email) or with the assistance of a parent or friend. Illness and misadventure are, in general, the only acceptable reasons for failure to attempt a task and they must be explained in writing and a medical certificate supplied in the case of illness. Failure to do so will result in a zero mark being awarded for that task. Where an appropriate explanation has been accepted, that task, or an alternative task, must be completed on the day of the student's return.

NAPLAN

Years 7 and 9 will sit for the NAPLAN tests in Week 3 of Term 2, from 12 – 14 May. These tests provide a valuable measure of our students' literacy and numeracy standards in an Australia wide context and help to shape the school's teaching and learning programs. The school expects all students to be in attendance on these days. Students who miss a test through illness will have the opportunity to sit a catch up test on Friday 15 May. All parents should have received an information letter about NAPLAN from their daughters this week, a copy of which is available on the school's intranet. Additional information about NAPLAN can be found at:

www.nap.edu.au/NAPLAN/Parent_Carer_support/index.html

After School Supervision

Parents are reminded that there is no supervision for students on school grounds after the conclusion of the school day. Many staff remain on the premises until 4:00pm and later, but there is no formal supervision of students, with the exception of seniors in timetabled after school classes, or students involved in music, sport or other extra-curricular activities. Students not involved in these activities have no reason to be on school grounds after 3:30pm. Despite repeated applications, the school does not yet have a secure perimeter fence, and in the case of accident or emergency your daughter's safety cannot be guaranteed after this time. Students who are not able to travel home immediately or who would like to do some extra study before going home are encouraged to use the services of Kogarah Public Library, a safe and quiet place to work after school hours.

On a personal note I would like to thank the wider school community for the support I have received as relieving Deputy Principal over the past two years. I have enjoyed working closely with a number of parents on committees, teams and panels, and have greatly appreciated the support of the P&C and Mothers' Committee. I am looking forward to returning to the role of Head Teacher Languages and spending more time in the classroom again, and I wish Mr Mark Treacy all the best as he takes up the substantive position this term.

Mr Morrison

Student Welfare

Since the issue of the last Gazette, the following students have been presented with Dragon Badges:

Maja Vasic (2) of Year 8.

Nuzhat Anjum, Noorah Chalak, Yurou Fu, Amberlee Naser and Elaine Shi of Year 9.

Kristy Ghosh (3), YiJia Liu, Isabelle Napper (5), Hannah Perera and Hayley Xie of Year 10.

Christiane Haitidis, Edna Law (4), Lisa Liu (2), Shandy Liu (3), Michelle Luo (2), Shadia Patwary, Fiona Pylotis (2), Alice Sun, Grace Tam (5), Irina Tyan (5), Asha Vishwanath and Renee Zhang (2) of Year 11.

Anna Lee (4), Melissa Ren and Minian Zou (2) of Year 12.

The following students have been presented with Super Dragon Badges:

Irian Tyan of Year 11.

Anna Lee, Mabel Li and Emily Wang of Year 12.

Careers

UTS: Business

The Fast Track to Business Success

The University of Technology Sydney runs Australia's most successful co-op course – the Bachelor of Accounting. Just look at the list of employers who are actively involved with this program:

| | | |
|-------------------|---------------------------|------------------------------|
| Allianz Australia | Cuscal | NAB (MLC) |
| American Express | Dexus Property Group | Perpetual |
| AMP Capital | Ernst & Young | PricewaterhouseCoopers (PwC) |
| Asciano | Johnson & Johnson Medical | TNT Australia |
| Axiom Forensics | Johnson & Johnson Pacific | Unilever Australia |
| Brambles | KordaMentha | Westpac |
| Brookfield | Lend Lease Corporation | |
| Coca-Cola Amatil | Lion | |
| Commonwealth Bank | Macquarie Group | |

These employers together contribute \$2.5 million annually to this one course alone. The reason? Demand for graduates of the course, who are seen as something special, is very high and will continue to be so for many years due to critical skills shortages in business. This is despite tough economic conditions. The UTS Bachelor of Accounting has the aim of producing potential business leaders of the future via an accounting career.

The main benefits to students who are selected into the Bachelor of Accounting are a tax-free scholarship valued at \$46,500, a year of full-time work training,

and great career prospects with the major employers who support the course. No BAcc graduate has ever missed out on a job, and these job offers are generally made by April of the students' third and final year of study. That might be only 3 years away from where you are now.

Other key benefits of this program, that set it apart from cadetships or other co-op courses, are that it takes only 3 years to complete and that students in the course study, work and play together as a close group of friends throughout that time.

What sort of students are we looking for? All-rounders, achievers and leaders in various activities. Plus you'd need to be interested in a career in business. A high ATAR is not essential, but it will help. Each year we take in students with ATARs in the range 85-100, who have the other skills and experiences to make them ideal business graduates.

And why choose to study accounting? Well, consider that accounting is recognised by big business employers as a highly desirable qualification for graduates to hold, and business leaders today increasingly have this sort of background. This is because the role of accountants has changed radically over the last 10 years; they are now the people called on to analyse the factors behind business success and failure, and who can provide the information needed for critical decision-making.

As a Bachelor of Accounting graduate you will have more potential than virtually any other professional - in terms of long-term employment and salary prospects, rewards and job security, opportunities for travel and working overseas, challenges and job satisfaction.

For further details on the Bachelor of Accounting program, check out the web site:

www.bachelorofaccounting.com or send an email to carin.alberts@uts.edu.au

Round 1 applications for the 2016 intake close on Friday 5 June 2015.

Student Absences

Text messages are sent out daily to parents/carers advising of their daughter's absence from or late arrival to school. You MUST reply to these messages either by text message or with a note. It is a legal requirement to explain all absences. If a reply is not received by the school, an 'Unexplained Absence' will be recorded and appear on their report.

In addition, it would be appreciated if you could inform the school, in writing, prior to any planned absence/s.

Green Corner

Congratulations to Elicia Lim of Year 12 2014.

I was privileged to attend the Agriculture and Environment Awards night at The University of Sydney on Friday 17 April. Elicia Lim was awarded the Rural Industries Research and Development (RIRDC) Scholarship. This is a National Award for students studying a Bachelor of Food and Agribusiness. Only 13 students across Australia are presented with this award which enables them to be mentored with related industries along with a substantial financial scholarship for the duration of the degree. Elicia was the Co-president of the Enviro Club during 2014 and a vibrant and dedicated Leader and facilitator of the Gardening section of the Enviro Club from 2013 to 2014. Elicia's involvement and activities within the Enviro Club from 2010 to 2014 enabled her to develop her leadership skills, along with having an avenue to explore creative approaches to problem solving.

I would like to take this opportunity to congratulate Elicia and wish her the very best as she commences her studies for the Bachelor of Food and Agribusiness.

Mrs Duffy

Know your

SCHOOL ZONES

Council's school enforcement program operates for the safety of all children and families. SCHOOL ZONE parking offences carry demerit points as well as fines in NSW (see over). This reflects the increased risks to children caused by parking illegally in school zones.

Every child is special. With patience, we can all pick up our children from school while respecting the safety of other children and all road users.

Tips to minimise SCHOOL ZONE stress:

Stagger your time of arrival to avoid the rush, or park further away and walk. This is a great chance for exercise and a relaxed catch-up with your child. Walking reduces congestion near schools.

SCHOOL ZONES operate from 8am to 9.30am and 2.30pm to 4pm on all gazetted school days, including pupil free days.

Child safety is the responsibility of all road users. Drive safely, park legally.

Fines and demerit points for parking offences in SCHOOL ZONES

| SCHOOL ZONE parking offences | Fine | Demerit Points |
|-------------------------------------|-------|----------------|
| Disobey 'No Stopping' sign | \$311 | 2 |
| Disobey 'No Parking' sign | \$173 | 2 |
| Double Park | \$311 | 2 |
| Stop on / near Pedestrian Crossing | \$415 | 2 |
| Stop in Bus Zone | \$311 | 2 |
| Stopping on footpath / nature strip | \$173 | 2 |
| Stop on / across driveway | \$173 | 2 |

Parking restrictions are in place for safety reasons. For further information on safety and road rules, please go to www.kogarah.nsw.gov.au/schoolzones.

The information contained in this leaflet is correct as of 1 July 2014, however is subject to change by the NSW Government without notice.

A school safety education initiative from Kogarah City Council and the NSW Police.

Parents and Citizens' Association

Thank you to the parents who attended the P&C meeting on Thursday 26 March. Our guest speaker was Mrs Duffy, Team Leader Sustainability & Science, who spoke about the Enviro Club and the wonderful things they have done around the school. We are pleased to donate \$550 towards the trip to Norfolk Island for an environmental residential study.

Just a reminder to all parents that our next P&C meeting is on Thursday 23 April at 7pm in the staff common room. If you are not already on our distribution list, please send me your email address via SMS (0410 325 426) or sggh.pca@gmail.com

We would like to inform all parents that the P&C has renewed the annual Student Injury Insurance. This will cover all after school activities and school excursions of all school students.

We had a successful P&C Year 7 Family Picnic on Sunday, 29 March from 11am to 2pm at Carss Park. It was a perfect picnic day. Thanks to Leanne Li for helping to organise the picnic.

Our second BBQ Fundraising at Rockdale Bunnings is fast approaching, Saturday 16 May. We need volunteers for this event and I encourage parents to assist if possible. We have 2-hour shifts starting from 8am and finishing at 4pm. Please contact Katia or myself if you could help on that day.

**P&C meeting will be held on
Thursday 23 April 2015 in the
Staff Common Room at 7.00pm (until ~8:30pm).
Enter through Victoria Street gates.**

Mothers' Committee

Last Meeting – Wednesday 4 March

Thank you to our Guest Speaker Ms Murray, our School Counsellor, for attending our meeting to provide the committee with an informative and insightful discussion on recognising and managing anxiety, in addition to the support and resources available within the school and externally.

The annual *Mother Daughter Dinner* will be held on Saturday 16 May at the Georges River Sailing Club and the theme for this year's dinner is *Flower Power*. The Committee extends a warm invitation to all the girls of SGGHS to bring your mother, sister or grandmother to join in a wonderful school tradition to celebrate Mothers' Day. The information flyer and ticket purchase slip will be available on the school website and a copy will be given to the girls in roll call. *Ticket sales will close on Friday 8 May*. The venue caters for a limited number of guests, so please purchase your tickets early to avoid disappointment.

The Mothers' Committee is also asking for donations to make up assorted baskets and gift hampers to be raffled on the evening and all donations will be accepted by the school office. All funds raised from the evening are returned to the school, so your support is greatly appreciated.

Uniform Shop News

Monday 18 May 2015 is when the girls changeover to Winter Uniform. The girls are encouraged to come to the uniform shop during the lunch break to purchase their winter uniform. The Juniors wear Winter Tunic, Long Sleeve Junior Shirt and Tie. Seniors wear Skirt and Long Sleeve Senior Shirt.

The uniform shop will have a special opening on Saturday 9 May from 9.30am to 11.00am prior to winter changeover. Payment is by cash or cheque only. (No EFTPOS facilities).

Volunteers are required to assist in the Uniform Shop on Saturday 9 May. If you are able to assist please contact speak with Ms Lana Winger at the school.

The Uniform Shop is also open every Wednesday during term from 12.45pm to 2pm. Please note that the girls' lunch break commences at 1.10pm.

The Mothers' Committee always meets the first Wednesday of the month (except during school holidays).

Our meetings are very relaxed and provide a great opportunity to be involved with the school community, meet other parents and find out what is happening at school from the Principal and Guest Speakers.

Next Meeting: Wednesday 6 May at 10am in the Library

No Guest Speaker this month due to Mother Daughter Dinner preparations.

St Georgians

Annual Luncheon – High Tea at “The Gardens on Forest”

The St Georgians are currently very busy organising our Annual Reunion – a **High Tea** at “The Gardens on Forest” – Forest Road, Peakhurst, to be held on Saturday 2 May 2015. Our members will have received an invitation in the mail, and of course the reunion is open to all ex-students and staff of St George Girls High School. If you are not a member and would like to attend, please contact us on the numbers below, or email us.

As well as enjoying a sumptuous and elegant High Tea, by attending you will be helping the school as all money raised on the day goes towards our Speech Day prizes and supporting other projects at the school. It is always a friendly, happy, talkative gathering, and we love to see new faces. If you'd like to organise a reunion of your school friends to join us, contact us for assistance as we'd love to welcome your group.

Theatre Party

We arrange theatre parties to each of the productions at the Guild Theatre, with profits directly benefitting the school. Our theatre parties are always arranged for an 8.00pm Wednesday performance. If you'd like to attend the next production – “The Book of Everything”, or to be placed on our call list for future productions, please contact Enid on 9588 3584.

The St Georgians meet on the fourth Thursday of each month during school terms, at the St George Leagues Club. For details of our next meeting, please email or ring us on the numbers below. We are always keen to meet new members, and look forward to seeing you there!

From the Finance Office ...

It is now possible for parents to make online payments to the school for students via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of our school website by selecting 'Our School' and then 'Online Payments'.

Make a Payment

Items that can be paid include voluntary school contributions, subject contributions, excursions, sport, sales to students and creative and practical arts activities including performing ensembles and music tutorials. There is also a category called 'Other' which covers items not included in the previous headings. 'Other' can also be used to make a complete payment of a school invoice.

When you access the  Make a Payment you must enter:

- Student's name and
- Class and reference number

OR

- Student's name and
- Date of birth

These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice Number if you are aware of them. These are optional fields.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner. These details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page, a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process, please contact the School Administration Office.

St George Girls Make News!

Passion for justice and social change inspires YMCA Youth Parliament leaders

April 3, 2015, 8 a.m.

TWO friends from the same school who share a similar passion for social change will take part in a youth leadership program.

Young leaders: Janis Wu and Carolyn Tran will join this year's participants in YMCA Youth Parliament. Picture: Chris Lane

St George Girls High student Carolyn Tran of Carlton and her classmate Janis Wu will join other young Australians in this year's YMCA Youth Parliament.

The program encourages youth to have a say in their field of interest and share it with the nation's leaders.

The year 12 students are part of the law and legal reform committee. Another student from the school, Rachael Lee, is part of the women's affairs committee.

"We are interested in criminal justice, and ensuring the standards of justice are upheld," Carolyn said.

Coming Events
